**MEAD PLACE METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Weld County on November 2008, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City of Commerce City, Adams County, Colorado.

The District was established for the purpose of providing various public infrastructure improvements necessary to provide for development within the District. The District encompasses approximately 4 acres located entirely within the Town of Mead in Weld County.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21B-001 among other things, adjusted the assessment rate and residential property actual value adjustment. For tax collection year 2024, the assessment rate for all residential property decreases to 6.70%. In addition, the residential property actual value adjustment increases from \$15,000 to \$55,000.

The calculation of the taxes levied is displayed on Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6.00% of the property taxes collected.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.50% of property tax collections

Debt and Leases

The District has no outstanding debt, nor operating or capital leases.

Emergency Reserves

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3.00% of fiscal year spending. Since the District does not anticipate generating any revenue nor incurring any expense, an emergency reserve is not reflected.
